FLORIDA HOSPITAL FISH MEMORIAL Honored as Family-Friendly Workplace

ORANGE CITY, FLORIDA, August 4, 2008 – For the fourth year in a row, FLORIDA HOSPITAL Fish Memorial (FHFMM) was recognized among the 2008 Orlando Sentinel’s Top 100 Companies for Working Families. The honor was announced during an awards ceremony held at the Royal Pacific Resort at Universal Studios on Friday, August 1.

The award acknowledges innovative companies with family-friendly policies. The Orlando Sentinel ranks Central Florida companies based on their benefits, programs, policies and workplace environment.

“We are proud of our employees who give their best efforts in extending our mission to the community. It is our privilege to offer support and benefits to our associates with the desire to encourage the finest care for our neighbors,” commented FLORIDA HOSPITAL Fish Memorial President Joe Johnson.

FHFMM Administrative Analyst Luis Rodriguez LHRM, concurred with Johnson’s statement. “Seeing the effort throughout the institution to provide the best patient experience, I look forward to coming to work. I am always hoping that I can make a difference in the lives of others as I see my co-workers do.”

A full spectrum of employee benefits helped earn FHFMM its Top 100 status. FHFMM employees build financial strength with competitive salaries, flexible spending accounts, financial plans, matching contribution retirement plans and employee referral incentives. Emotional, spiritual and physical health is enhanced by wellness programs and spiritual support. Employees advance professionally through tuition reimbursement and professional recognition. When an employee encounters a time of need, the Hospital offers financial assistance through the Foundation’s Angel Fund and Employee Assistance Program.

One unique, family-focused program is “Hip Hip Hooray for Straight A’s.” FHFMM employees’ children who make straight A’s for the last grading period of the school year are rewarded with a \$50 savings bond, recognition in Voice, the hospital newsletter, and a certificate signed by CEO Joe Johnson.

Luis Rodriguez offers insight into Fish Memorial’s Top 100 ranking. “I am as proud to work for this organization now as I was on my first day, four years ago.”

Florida Hospital Fish Memorial was built in 1994 and is a 139-licensed bed hospital located at 1055 Saxon Boulevard in Orange City. The hospital is named among the 2008 Orlando Sentinel’s Top 100 Companies for Working Families. Florida Hospital Fish Memorial is a member of the Adventist Health System, the largest Protestant not-for-profit hospital system in the nation.
